April 25, 2020 | Holiday Inn Valley View, 3315 Ordway Drive, NW, Roanoke, VA 24017

The Family Engagement Summit "It Takes A Village: Partnering For Student Success" provides an interactive platform for real engagement to occur. Parental engagement is a key factor in obtaining higher student achievement. It has a significant effect throughout a child's school years. The research is resoundingly clear, parental engagement must be planned for and embedded in a whole school or service strategy. While schools and communities understand the importance of effectively engaging families, tools and resources are often needed to assist in fostering and sustaining these relationships. Join us for this one-day Summit and hear from dynamic speakers as they provide practical research-based tools to help strengthen the cord that binds educators and parents together for the success of all children.
